

IMMACULATE CONCEPTION

– Catholic School –

Hello, ICS Families!

Although enrollment was automatic this year, it is still **incredibly important** to update your information on TADS. Information that needs immediate attention to ensure accuracy includes:

Phone Numbers

Emails

Addresses

Emergency Contacts

Transportation Preferences (bussing)

Allergies/Health Problems

Medical Contact Information (doctors, hospitals, dentists, etc.)

& Tuition Payment Method

Please confirm that these areas are up to date within your TADS account. Even if nothing has changed, it's always a good idea to check for errors made in the past. To access your account, visit <https://secure.tads.com/Accounts/Login.aspx>

If you are having trouble logging on or updating the information, please do not hesitate to call me at (763)-788-9062 x207 or email me at msackmaster@immac-church.org.

Have a great summer!

Megan Sackmaster- Director of Admissions

IMMACULATE CONCEPTION

– Catholic School –

¡Saludos, familias de ICS!

Author Talk: Kristal Leebrick

Wednesday, Jun 15, 5:30 pm

Kristal Leebrick, author of "Thank You For Shopping" will take us on a nostalgic trip back to the days when downtown department stores ruled the retail landscapes of downtown Minneapolis and St. Paul. Books will be available for purchase. This program is brought to you by the Friends of Columbia Heights Library. Registration required.

Android Smartphone Workshop

(2 possible sessions, sign up for 1)

Tuesday, Jun 21 -or- Tuesday, Jul 12, 2 pm

Whether you use—or want to use—your Android smartphone to stay connected to family and friends, engage on social media, or simply need to optimize it to best accommodate your needs, this workshop can help. You can learn how to use your smartphone to make life easier and stay connected. You will need to bring your own Android smartphone (fully charged) to this workshop to participate. Registration required.

Youth Encore at the Library: Clay Creatures *

Wednesdays, Jun 29 & Jul 6, 2-3:30 pm

Come make a little clay friend for yourself using basic pinch pot forming techniques and modeling skills. Using texture and engobe we will give our sculptures colorful fur, feathers, scales and/or other accents. Artistry will fire these creatures and apply a clear glaze so they will become long lasting sculptures. This program is a two part series, participants must be able to attend both sessions. Ages 6-12.

Kids & Families

Family Storytime

Mondays, Jun 6 - Aug 8, 10:30-11 am

Share books, songs, and rhymes with your children at this storytime designed to promote school readiness in 2 to 5 year olds. Librarians, caregivers, and children will sing, talk, read, write and play together to build early literacy skills. Siblings are also welcome!

Story Strolls

The Library is teaming up with Recreation to bring stories outdoors this spring. Large story pages will be placed throughout the featured parks. Gather your family to explore city parks, and read a story together as you walk along the park trails. Happy reading!

June 21-24: Huset Park

July 12-15: Sullivan Park

August 9-12: Prestemon Park

Encore at the Library:

Ollivander's Wand Workshop *

Wednesday, Jun 15, 2-3:30 pm

Join us to create your own unique wand under the guidance of an Ollivander's assistant from Artistry. Arts and crafts materials will be used to make unique individualized wooden wands. Registration required. Ages 6-12.

Clay Garden Tiles

Saturday, Jun 18, 1-3 pm

In this class students will create clay tiles for the garden using slab and coil techniques. Finished works will be clear glazed to increase their durability so your art can enrich your garden for years to come. Registration required. For families. *This program is funded by the Minnesota Arts and Cultural Heritage Fund.*

Encore at the Library:

Animation Flipbooks *

Wednesday, Jun 22, 2-3:30 pm

This class will teach students how to create animation flip books that give the visual illusion that an object, person, or animal is "moving" from one point to another. We will cover basic drawing skills, storyboarding, and character design. Registration required. Ages 6-12.

Encore at the Library:

Gyotaku Fish Prints *

Wednesday, Jul 13, 2-3:30 pm

Gyotaku fish prints are a Japanese art form first used to document the size of a prize catch. The prints displayed the size, intricate textures, and details found in nature. Learn about this beautiful art form by printing rubber-cast fish forms on a variety of paper for our own wall art. Registration required. Ages 6-12.

Polymer Clay Steampunk Bugs *

Saturday, Jul 16, 1-3 pm

What's better than creating your own steampunk style bug out of clay? Use clay and metal pieces to create a bug that blends nature with retrofuturistic style. You will receive instructions on how to safely bake your creation at home. Registration required. For families. *This program is funded by the Minnesota Arts and Cultural Heritage Fund.*

Science in the Summer

Tuesday, Jul 19, 1-3 pm

With Bakken Museum educators as their guide, burgeoning biologists will practice observational techniques and scientific thinking all while being introduced to real science career paths and having lots of fun. No registration required. For youth entering grades 2-5.

**This program is partially funded with a grant from the Minnesota Department of Education using federal funding, CFDA 84.287, Every Student Succeeds Act, Title IV B-21 Century Community Learning Centers. The content of this program does not necessarily represent the policy of the federal Department of Education or the Minnesota Department of Education.*

Encore at the Library:

Ink Painting with Bamboo Brushes *

Wednesday, Jul 20, 2-3:30 pm

Let's learn how to paint natural scenes with bamboo brushes and ink. We will begin by talking about what makes bamboo paint brushes special, then we will learn about different ways to hold and move our brush to create beautiful lines and shapes. Finally we will learn how to put these marks together into a composition. Registration required. Ages 6-12.

Encore at the Library: Acrylic Painting *

Wednesday, July 27, 2-3:30 pm

In this introductory course we will pour out some colors and learn how to mix and control gradations by painting a rainbow, create effects through blends, dry-brush and washes, and play around with the ideas of incorporating texture into our work. We will work from our imaginations and with artist led demonstrations. Registration required. Ages 6-12.

Encore at the Library:

Weaving a Wild Wall Hanging *

Wednesday, Aug 3, 2-3:30 pm

Learn to make a fabulously soft and fringy wall hanging! We will go over the basic vocabulary, equipment, and techniques to weave a simple wall hanging. We will use yarn, roving, ribbon, scrap fabric, and other assorted materials to create a lush, textural, 'wild' work of art. No previous weaving experience necessary. Registration required. Ages 6-12.

Encore at the Library:

Tangling and Meditative Drawing *

Wednesday, Aug 10, 2-3:30 pm

The concept of a tangling is to practice focus and meditation through drawing patterns using repetitive lines, marks, circles, and shapes. Students will participate in various skill lessons and activities to help them start developing a meditative drawing practice. Registration required. Ages 6-12.

Teens

Young Punks: Art of the Patch

Thursday, Jun 16, 3-5 pm

The patch jacket is a fashion statement, a work of art, and a declaration of identity. In this class we will get started on cultivating our own patch collection by creating several patches using ink, paint, and embroidery techniques. Learn basic design, composition, drawing, and sewing skills. Registration required. Ages 13+ *This program is funded by the Minnesota Arts and Cultural Heritage Fund.*

Needle Felted Toadstools *

Thursday, Jun 30, 3-4:30 pm

Add some color and whimsy to your home! Learn how to use a felting needle to form loose wool roving into an adorable mushroom. When it's complete, add a wood base and a little moss to make the scene come to life. Registration required. Ages 10+

Going Big with Coil Building

Wednesday, Jul 13, 1-3 pm

Come learn the art of coil building as we use this ancient technique to construct a large vase for ourselves. Finished projects will be clear glazed by Artistry before they are returned to students so they will be waterproof and perfect to hold a bouquet. Registration required. Ages 13+ *This program is funded by the Minnesota Arts and Cultural Heritage Fund.*

Custom Screen Printing *

Thursdays, Jul 14, 21, 28, Aug 4, 3-4:30 pm

Youth will be introduced to making basic hand-drawn stencils that can be transferred to a printing screen, and then printed on paper or cloth. Youth will explore the t-shirt as wearable art with the power to convey messages through slogans and unique imagery. Registration required. Ages 13+

Adults

Conversation Circle

Mondays, 5:30-6:30 pm

Thursdays, 2-3 pm (New! June 16- July 28)

Conversation Circle is a casual gathering of English-language adult learners who meet at the library to practice their speaking skills in a group setting with help from an English-speaking volunteer. No need to register; just come when you can.

Watercolor and Pen: Floral Arrangement

Monday, Jun 20, 5:30 pm

Add some color to your home with a floral arrangement art piece created with watercolor and pen. Learn about watercolor materials, techniques, and drawing tricks to create a beautiful artwork of your own. This program is funded by the Minnesota Arts and Cultural Heritage Fund. Registration required.

Charcoal au Plein Air

Friday, Jul 8, 10 am

Learn from an artist instructor how to draw from real life subjects out in the natural world in this fun, seasonal program. This program will wrap up with 15 minutes at the end to regroup and share our work with each other, helping build a sense of creative community and allowing us to hear from our artist peers. This program is funded by the Minnesota Arts and Cultural Heritage Fund. Registration required.

Exploring Map Art

Monday, Jul 18, 5:30 pm

Use a discarded map and turn it into a colorful work of art! Focusing on the lines and shapes that are most interesting to you on the map—a highway, a river, or another boundary—you use glue, oil pastel, and glittery mylar to create an abstract work of art. This program is funded by the Minnesota Arts and Cultural Heritage Fund. Registration required.

Tree Identification Workshop

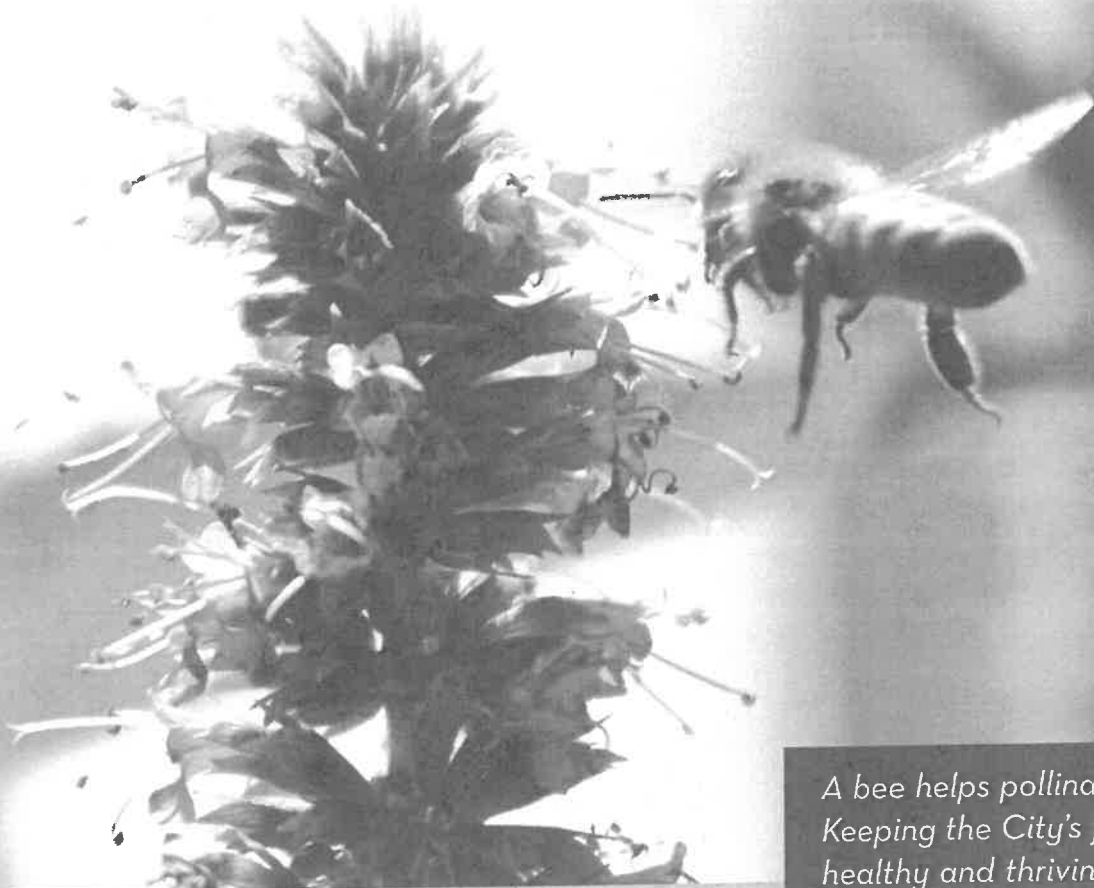

Monday, Jun 27, 5:30 pm, Sullivan Park Shelter

Presented by Liam Genter, Columbia Heights' Urban Forestry Specialist. Join us at Sullivan Park to learn about some of the common tree species found in Columbia Heights and the basics for how to tell them apart. The workshop will cover what to look for in leaves, bark, buds, or other hints that will help you to hone your tree identifying skills. Registration required.

BloomingHeights Edible Schoolyard Tour

Mon, Jul 18, 1 pm, Blooming Heights Gardens

Join us for a tour of the schoolyard garden and outdoor classroom for Columbia Heights Public Schools! Wes Nugteren, the Ag Specialist for CHPS, will show us around this unique feature of the schools' learning landscape located behind the Columbia Heights District Center, between the High School and the Family Center. Registration required.

A bee helps pollinate flowers outside City Hall. Keeping the City's forest and native vegetation healthy and thriving is a major priority for Columbia Heights. More info on pages 4 and 12.
